## COLLABORATIVE DECISION MAKING

<b>What is it?</b>	Introduction to models of decision making in contexts where positive stakeholder engagement and maintenance of good long term relationships are important
<b>For Whom?</b>	Managers, others responsible for projects, engagement, situations where power is shared, public policy decision makers, leaders in industry associations, NGO's, not-for profit and other organisations dependent on goodwill and voluntary participation
<b>Length</b>	1 day introductory program; can be integrated with broader negotiation programs
<b>Outcomes</b>	Foundation knowledge of decision making processes, identifying achievable outcomes, maintaining consensus and broad support for initiatives
<b>Features</b>	Practical and interactive process skills that can be used in a wide variety of contexts
