CONVERSATIONS ABOUT CHANGE

What is it?	Education program to help develop and implement culture of confidence and acceptance of change within organisations
For Whom?	One on one coaching, small group up to large scale presentations; intervention or as introduction to broader program of change management
Length	Two hour presentations for large groups, individually designed programs of varying length, 1 or 2 day process programs for small groups
Outcomes	Shift in perspective from fear of change to confidence in future; individual and organisational empowerment to make effective decisions and embrace positive future; inspirational to help align group attitude, develop momentum for large projects; effective in helping to remove individual performance barriers
Features	Interactive, personal contact and measurable impact in individual or small group programs; if needed, large scale presentations tailored to organisational goals.
